

Delta Airlines Announces New Service to Los Angeles

September 17, 2014 (San Antonio, TX)— Delta Airlines announced beginning next year, it will offer twice-daily nonstop service from San Antonio to Los Angeles International Airport (LAX). The new service will begin April 7.

With the addition of the LAX service, Delta will serve 6 destinations from SAT: Atlanta, Detroit, Minneapolis/St Paul, New York- JFK and Salt Lake City. The new service from Delta will provide more options for San Antonio residents wanting to connect to destinations in the carrier's trans-Pacific routes from Los Angeles.

Delta and the Delta Connection carriers offer service to more 330 destinations in 64 countries on six continents. Delta was named the 2014 Airline of the Year by Air Transport World magazine and was named to FORTUNE magazine's 50 Most Admired Companies, in addition to being named the most admired airline for the third time in four years.

With more than 8 million passengers annually, the San Antonio International Airport (SAT) contributes more than \$5 billion to the region's economy. The Gateway for South Texas SAT offers nonstop service to 34 destinations and, in 2012, was named the nation's 10th largest gateway to Mexico. The San Antonio Airport System also includes Stinson Municipal Airport (SSF), the 2nd oldest continuously operating airport. A department of the City of San Antonio, the system is funded by an enterprise fund supported by user and tenant fees. For more information, visit SanAntonio-Airport.com or Facebook/SATAirport.
